AURA² / EDITION 51 / FLOW

Ripple Vault

Silver caustics cross a turquoise vault. On each patch, the intersecting lines catch a different pool of light.

AURA² / EDITION 52 / UNWIND

Abalone Fan

Overlapping fans of mother-of-pearl shift from pale jade to peacock blue. Each disc holds a miniature shell fan.

Lido No. 4

An overhead lido becomes a mosaic of turquoise tiles, sweeping cobalt lanes and small vermilion turns.

AURA² / EDITION 54 / FLOW

Kelp Archive

Fine kelp fronds spread over pale aqua like a botanical specimen print. Silver vein details carry onto the patches.

AURA² / EDITION 55 / UNWIND

Soundings

Luminous contour lines map a deep petrol trench. The circular patches read as six small chart fragments.

AURA² / EDITION 56 / RISE

Current Fold

Layered ribbons of glacier blue and sea green sweep across the pack like a breaking wave. Each patch catches a curl.
